

# Eddie Cicotte on Hill For White Sox

### Famous Shineball Exponent Will Start Against Chicks in Exhibition Game at Russwood Thursday—Tribes Winds Up St. Paul Series by Losing 7 to 2—Goodbred Combed.

BY BOB FIGUE.

Eddie Cicotte, famous shineball pitcher of the Chicago White Sox, will be Manager Kid Gleason's mound selection in the exhibition game between the Sox and Chicks at Russwood park Thursday afternoon. Gleason stated Thursday that Cicotte would start, and that very probably Urban Faber, another right-hander, would bring up the rear. Ray Schalk, the greatest catcher in the game today, Steve O'Neill and Wally Schang notwithstanding, will be behind the bat. The two teams get away at 3:30 o'clock.

### GET DATES MIXED.

The White Sox booking agent got his dates mixed and had the Sox scheduled to meet the Chicago White Sox. They played in Little Rock Tuesday, and arrived in Memphis early Wednesday, only to learn that the Sox were scheduled until Thursday for Memphis. The Sox booking agent then discovered that he had his club booked for Nashville on Thursday, so it was decided to cancel the Sox game and play here. Manager Gleason, Louis Comiskey, son of the Old Roman, and several members of the Sox are not yet ready to turn Tommy Lewis. Last season in the American association Tommy won 26 games.

baseball business, and pitched the first inning and was hit for 2 to 2 victory over Memphis Wednesday. Hall pitched a fine game all the way, and up until the seventh, the Chicks had secured only one hit, a single by Griffin. Then Charley started eating up, having a seven-run lead.

### TINY BOMBARDED.

Goodbred started for Memphis and lasted an inning and a half. In the first inning he was hit for a single to center and Boone hit to Sloan. Righter was tossed out at first by Goodbred, but Miller followed with a fly double to right that registered. Dressen, Hargrave scored Miller with a single to left. McHenry fanned, but Biscoff led the third strike get away from him, and Mack was safe at first. In the second inning, Miller was hit for a double to right that registered. Boone singled to left and Dressen doubled to right, scoring Miller. Boone singled to left and Dressen doubled to right, scoring Miller. Boone singled to left and Dressen doubled to right, scoring Miller.

### SAYS SOX FORDMIDABLE.

Manager Gleason is not tossing any bouquets at the present array of White Sox, but says that any club good enough to be in the American league must have enough class remaining to at least give the other seven teams a fight in the flag this year. Gleason admitted that Tris Speaker's Indians are a great ball club and that they are the result of a lot of trouble, but says that the White Sox are also a formidable outfit and should be in the hunt all year. Gleason spoke the rumors that Eddie Cicotte, famous shine-baller, was all through. "Waterbury says Cicotte will show the wise ones how through he is. Cicotte had sufficient class to hitch up to a flag last season, and he is one of the leading pitchers in the American league this year," concluded the White Sox manager.

### SAINTS WIN LAST ONE.

The St. Paul Saints left Memphis Wednesday night, after having won the exhibition game of five games to the Memphis Chicks. The Tribe won three games and lost two, while the Saints dropped three and topped a pair.

Charley Hall, veteran right-handed pitcher of the Saints, was named manager of the Saints, while Manager Kelley was in St. Louis on some business.

## RALPH DE PALMA ENTERS BIG RACE

Famous Driver Confident of Giving Other Drivers Battle for Honors.

INDIANAPOLIS, Ind., April 8.—Ralph De Palma, undoubtedly the most popular automobile racing driver in the history, has signed to drive in the eighth annual 500-mile race to be held at the Indianapolis speedway, May 31.

Little is known of the Ballot car, as last year was the first time it appeared in racing competition. In the 1931 sweepstakes four Ballots were entered—Albert Guyot finished fourth, Rene Thomas 11th, while Louis Wagner and Paul Babel, other members of the Ballot team, were forced out of the race because of broken axles.

CHATTANOOGA, Tenn., April 8.—Shortstop Henry Demoe has accepted the terms of Manager Nicklin for the coming season and will play for the infield problem of the Chattanooga baseball club, as it leaves Demoe as the only member of the infield defense out of the fold. The flooded condition of the baseball park necessitated the cancellation of the Indians' game here.

# SIX FAST FEELS RETURN TO MEMPHIS

### Approaching Year Promises to Provide Snappy Pennant Races in All Local Amateur Organizations.

What is the class of the average club in Memphis in the amateur ranks during the coming season?

Of course there may be surprises, but it looks as if there will be at least six fast ball clubs in Memphis during the coming season. It can not be denied that the Chicks of last year playing this season under the name of the PloUGH Chemicals, have a strong aggregation with such players as Sloan, Bridges, Wade, Claypool, Hays and others. Their only possible weakness may be in the box, as they have no independent ball possibly, and Little Johnny Day, who is just graduating to the amateur ranks, not being quite ripe.

The Knights can be depended on to top one of the local amateur clubs on the field that has ever worn a K. C. uniform, and while they have been playing low they are now in the first-class unannounced club signed up. The Cherokees have the cream of the Dixie league of last season's players, and are expected to be a strong contender.

Additional details of the approaching appearance in Memphis of Georges Carpentier, French heavyweight champion, were given by Nate Lewis, manager of Pal Moore and representative of Carpentier, who was here Monday with Moore. According to Lewis, Carpentier has been booked to show in 10 cities, among the list being Memphis. The French heavy will not take on an opponent, but will box four rounds with his sparring partner. It will be only an exhibition and will serve to give Memphians and Dixie fans generally a look at the Frenchman, who sooner or later will face Dempsey.

# Carpentier's Life's Story

BY JACK VEICK.

CHAPTER VII. There is an adage that tells us how youth will be served. It was coined by a poet, and it has since become a name of comparative fame. It was the name of a national hero at the height of his glory.

Some months later, at Nice, this same fair met for a second time, and Carpentier proved that his career was well earned by beating Terry decisively in 16 rounds. Following his first bout with the Frenchman, flash took on Hubert Rice, a former heavyweight champion of France. Rice was sent down by Carpentier in the sixth round. This bout served as a training stunt for Carpentier for his bout with Willie Lewis, which was fought in Paris 23 days later.

Carpentier will probably always remember his battle with Willie Lewis because of the crafty veteran who knocked him out with a solid right to the jaw in the sixth round. Georges had been holding his own up to that time and he was pretty badly hurt. Lewis' punch sent him to his knees and he took a long time to get up. # Dixie Carroll Returns to Memphis

### Boston Braves Send Crack Outfielder to Chicks—Rounds Out the Greatest Outfield in the Southern League Beyond Any Doubt.

Dixie Carroll, last season Chick center fielder, has been turned back to Memphis by the Boston Braves, according to a telegram received Thursday by President Tom Watkins of the Tribe.

Carroll went to Boston along with Lou Christenbury, also an outfielder. Both have been with the Braves during the spring training trip. They played with Boston last season after the year had finished in the Southern. Carroll is expected to report to Memphis immediately and should be here at least by Sunday, according to Watkins.

The arrival of Carroll will round out the greatest outfield in the Southern league, beyond any question. Carroll is fleet of foot, a good and timely hitter, and one of the best outfielders in the game from a defensive point of view. He will probably be stationed in his old position of center field, and Yale Sloan, who has been covering Carroll, will be used in left field. Pug Griffin will remain in right field, and will make good on account of his hitting ability.

Christenbury is still on the Braves' roster, and may make good on account of his hitting ability.
